## **8(a) STARS II**

Government Wide Acquisition  
Contract (GWAC)

Contract Number: GS-06F-1150Z

**SBA Certified**

**8(a) Program Participant**

**Small Disadvantaged Business**

## 8(a) STARS II design

The 8(a) STARS II design consists of two constellations (tiers) based on industry accreditations.

Constellation I includes industry partners with competitive pricing and technical proficiency.

Each of the 8(a) STARS II constellations includes four functional areas designated by the North American Industry Classification System (NAICS).

These NAICS functional areas are:  
541511 — Custom Computer Programming Services  
541512 — Computer Systems Design Services  
541513 — Computer Facilities Management Services  
541519 — Other Computer Related Services

## Integrated Consultants

specializes in unique technical process engineering services for Government and Industry. We design, build, and integrate evolutionary prototype devices and systems for complex applications. Our technically proficient management and staff work at the grass roots detail level to ensure successful projects.

## 8(a) STARS II GWAC

The 8(a) STARS II GWAC is designed to promote small business utilization when purchasing information technology (IT) services or IT services-based solutions for the federal government. The 8(a) STARS II program is reserved exclusively for qualifying certified 8(a) small business concerns as the prime contractors per Federal Acquisition Regulation (FAR) 19.8.

## 8(a) STARS II features

- Multiple award, indefinite delivery indefinite quantity (IDIQ) contract vehicle
- Five-year base with one five-year option
- \$10 billion program ceiling
- Directed Order Authority

## 8(a) STARS II benefits

- 8(a) socioeconomic credit transferrable to the agency
- Pre-competes, easy to use contracts
- Access to proven 8(a) small business technology providers
- Shortened procurement lead time
- A low user access fee (0.75 percent) built into contractor's ceiling prices
